About us:

ONESB One School of Business was founded to help prepare a new generation of business leaders for the technologically advanced, dynamic, globalized, and fast-paced world of business. We leverage industry liaisons to gain valuable insight, and our alliances foster enhancement, enrichment, and recruitment. We enthusiastically encourage our students to achieve academic success and adopt sustainable practices for the well-being of society and the world at large.

Our Vision:

To empower individuals through transformative MBA education and research. We aim to build knowledgeable, innovative, and future-ready leaders. Our focus is on inspiring entrepreneurial thinking and creativity. Creating impact that contributes to the betterment of society.

Our Mission:

To provide quality education, research, and essential business skills. We focus on nurturing creativity, confidence, and leadership. Building a community that drives positive change in business practices. Preparing students to excel in a dynamic and evolving business world.
